

Not only was Logic the beginning, but Logic was God.
God is his thinking, God is a living God, Logic is to be
considered as the activity of God's willing.

-Dr. Gordon Haddon Clark

To find an 8th day in a circuit of 7 days we count in a circle past 7 and back to 1, 1234567 → 1₈234567. Day 8 is day 1 of the 2nd revolution. Circumcision is day 8 in God's 7 day system. 8=1 because 7 is cut away. Notice also, the contradictory pairs 1+7 and 3+5 both sum to 8.

8-7=1, we cut away 7 days to get day 1, the 8th day. The ark was being prepared in which a few, that is, 8 souls, were cut away and saved through water. 3x5=15 cut away 1x8 for 7. 5x7=35 cut away 4x8 for 3. 3x7=21 cut away 2x8 for 5. 3x5x7=105 cut away 13x8 for 1.

The sign of His mercy toward the 8 was His rainbow. A throne set in heaven and a rainbow around the throne. He walks above the circle of heaven. He drew a circle on the face of the deep. He sits above the circle of the earth. Revelation 4:1-3, Job 22:14, Proverbs 8:27, Isaiah 40:22

In Genesis 15:9 God represents Himself as 3 cattle each 3 years old, 333. John's Principle states, if they were of us they would have remained, they did not remain so they were not of us. Contradictory pair 3+5, 333, and JP, infer 355 and 535. 333 cut away all 8^s is 5, 355 cut away all 8^s is 3, and 535 cut away all 8^s is 7, 537.

$$(5 \times 5) - (3 \times 8) = 1$$

$$(3 \times 3) - (1 \times 8) = 1 \quad 3+5, 333, \text{ and JP, infer } \underline{355} \text{ and } 535$$

$$(5 \times 7) - (4 \times 8) = 3 \quad 535 \text{ and } 537 \text{ infer } 113$$

Man is not something in which somewhere
God's image can be found along with other things.
Man is the image. -Dr. Gordon Haddon Clark

God said Let Us make man in Our image
According to Our likeness
Let them have dominion
God's Son is the express image of His person
Genesis 1:26, Hebrews 1:1-3

The two that God gave dominion are His image.
His Son is also His image. Adam, Eve, and Jesus,
are God's image. These three are not from two human
parents but are uniquely and immediately from God.

All men are generated from male and female parents.
All generated from male and female parents are men.
This identity, men, excludes, Adam, Eve, and Jesus, but
includes everyone else. God's image is man, but not the
man from human reproduction. God's mankind is three.
Their generation is supernatural, their identity is unique.

Man is rational in the likeness of God's rationality.
 His mind is structured as Aristotelian logic described it.
